Cost to be a stall holder at Lollipop Markets

Lollipop Markets prides itself on bringing only quality items in a beautiful location, with a gorgeous bunch of even organisers to the public for a very special shopping experience.

We are a boutique market and this is reflected in our stall fee. Please see above for corresponding prices.

These prices are all based on you supplying a certificate of currency for your Public Liability. If you do not have Public Liability and need to be covered under our policy for the day there will be an additional \$20 fee. Please note there are conditions surrounding this option & you are required to acknowledge cover is only for the day of the public event and DOES NOT include product liability.

Please note that Lollipop Markets fees are subject to change without notice. This may be due to price increases in any or all of the following: CPI, venue hire, insurance, equipment hire and/or advertising
